Career Objective

I am a Software Developer with 10+ years of experience in hospitality.

I bring excellent cultural and linguistic background, professional exposure, keen client services ability and a consistent, responsive working style.

I wish a highly rewarding career where I can use my skills and knowledge for organizational and personal growth.

Why Hire Me

- Excellent team player. The experience in the hospitality definitely helped me to develop a strong sense of being part of a team in a productive way
- Extremely patient and capable to stay composed when faced with unexpected challenges or roadblocks
- Flexible when things out of the box are asked
- I feel very comfortable working using the programming languages that I have studied so far and I am ready to learn more!
- Highly determined to make the best use of the skills at my disposal and accomplish important achievements in my career
