Career Objective

I am a fresh graduated junior Full Stack Software Developer and I am actively pursuing an entry into the tech industry. I bring excellent background and professional exposure from hospitality, keen client services ability and a logical, responsive working style.

Positive, ambitious and resourceful!

Why Hire Me

- Excellent team player. The experience in the hospitality definitely helped me to develop a strong sense of being part of a team in a productive way, for me and for my teammates.
- Extremely patient and capable to stay composed when faced with unexpected challenges or roadblocks
- Flexible when things out of the box are asked
- I feel very comfortable working on the programming languages that I have studied so far, but of course I'm ready to learn new technologies!
- Extremely determined to become an experienced developer and accomplish important achievements in my tech career
